

Even *natural beauty* needs a
touchup now and then.

Every day is Earth Day in California's State Parks.

Join us on Saturday, April 17th for the California State Parks Foundation's 13th Annual Earth Day Restoration and Cleanup. Volunteers are needed to plant trees, restore trails and spruce up campgrounds while helping to preserve our magnificent state parks.

To find a location near you,
visit www.calparks.org or call **1-888-98-PARKS**.
